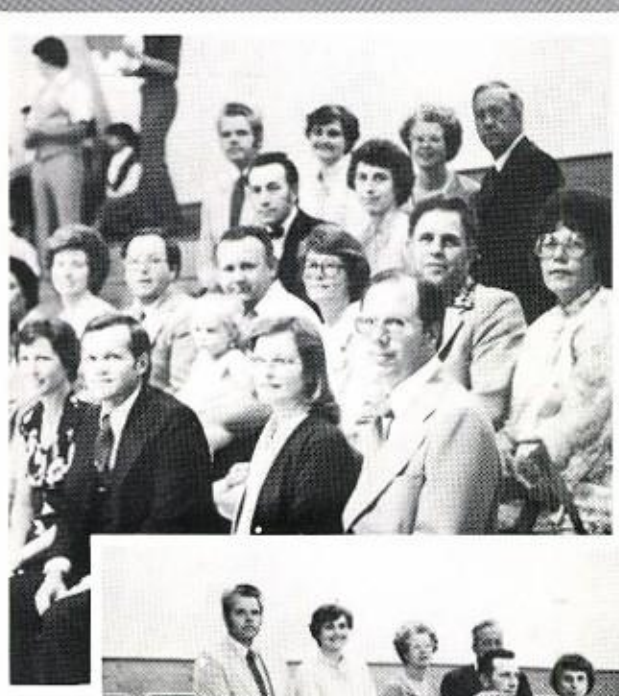
MUSTANG EIGHTY-ONE

Dedication . . . Our Parents

Senior Class '81



We don't always say we love you;
We don't always seem to care;
You may think we don't notice,
How much you always share.
We often take you for granted;
Our actions can break your heart;
We expect you to do everything,
Without seeming to do our part.

We really can't do without you!
Your love and caring is clear.
The road to success is less bumpy,
When you show us how to steer,
So, we salute the things you've done
With hearts full of thanks and a cheer!

Poem — c. johnston

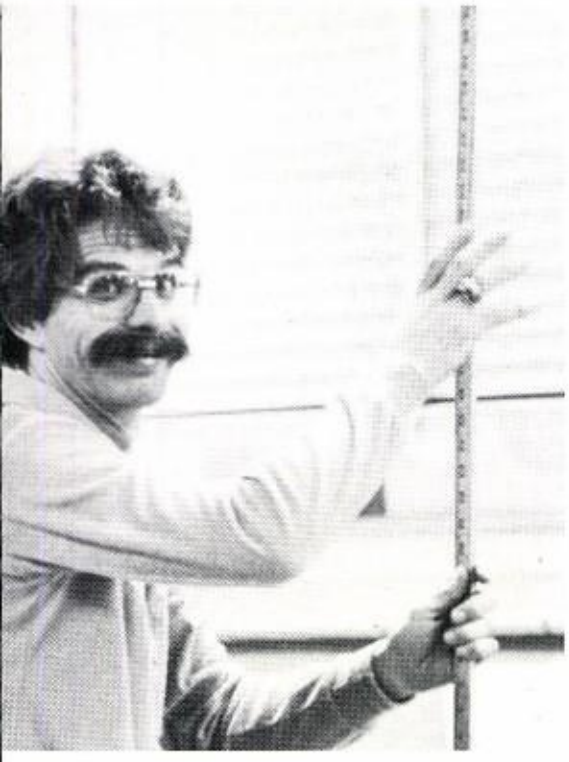
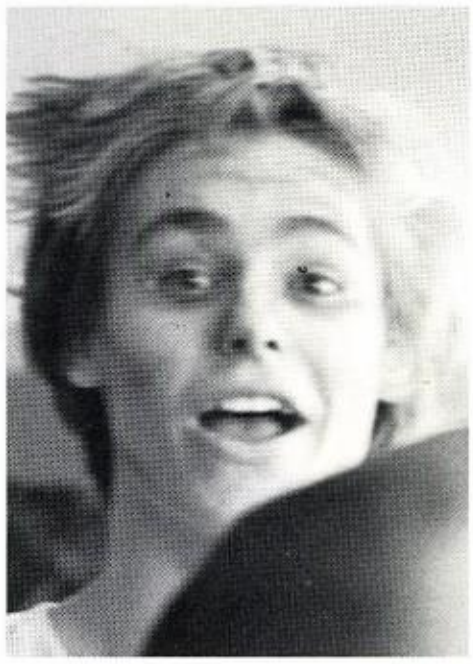
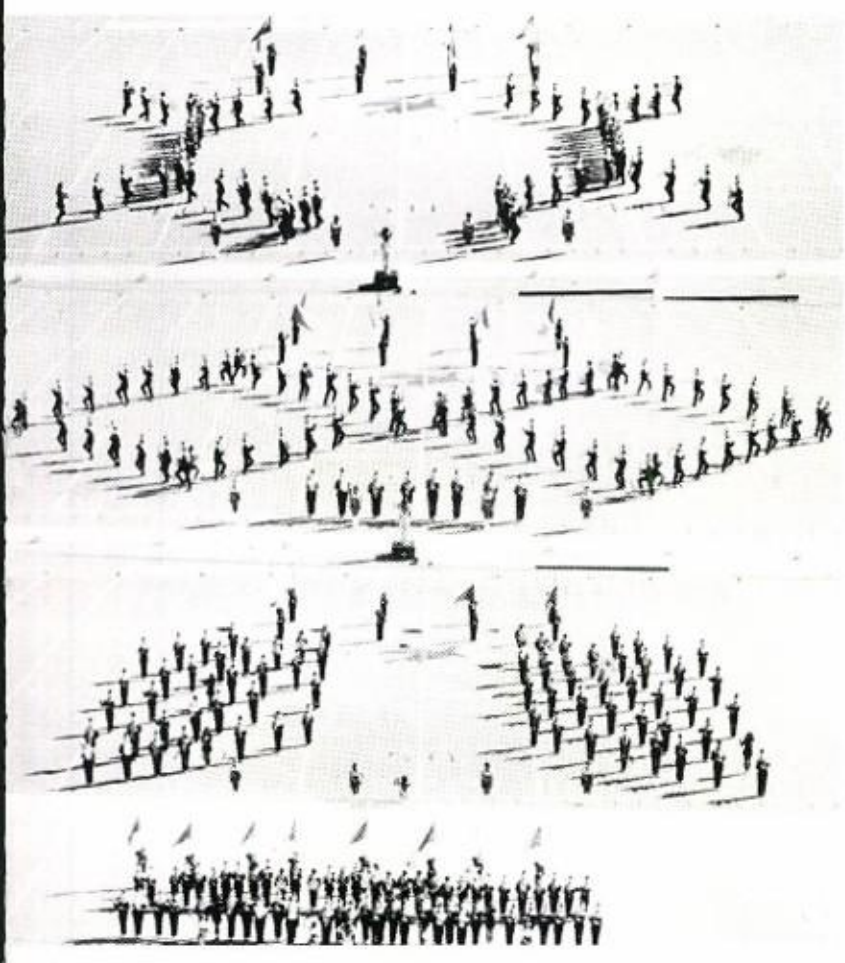
These are the *times* of
your life.
Saroyan



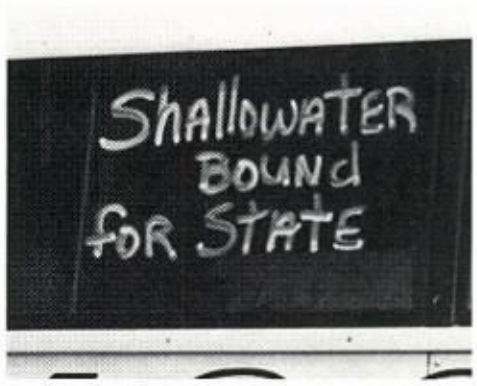


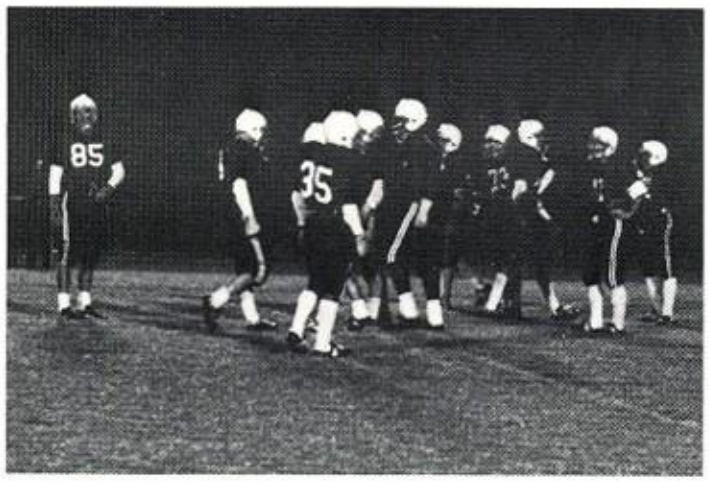


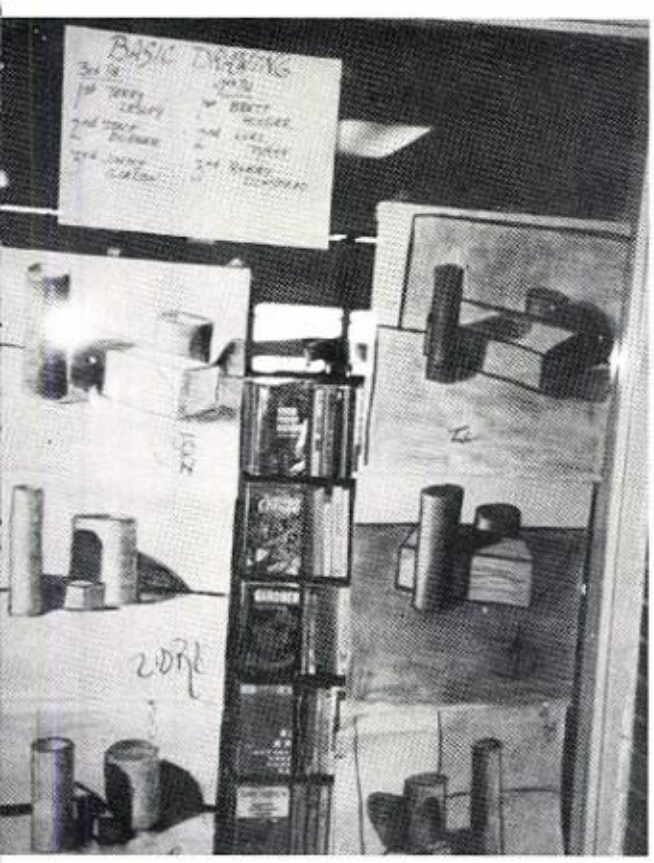
Times change and we change with them.

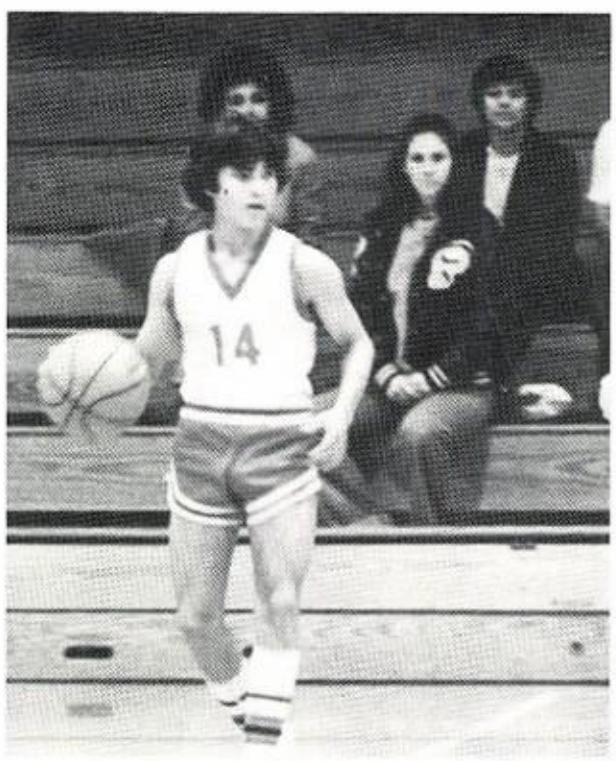
Lothair I

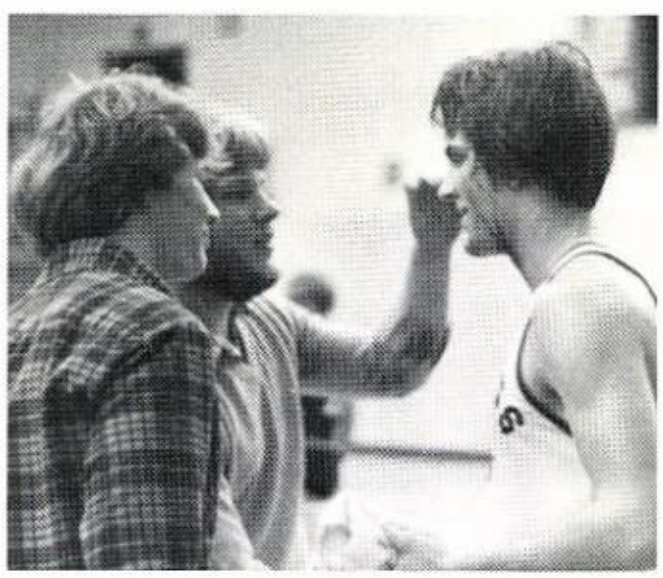
These are the *times* that try
men's souls.
Thomas Paine











Always take the *time* to say what's in you're heart. — Author Unknown

The *time* to be happy is now.

Do all the good you can . . .
at all the *times* you can . . .

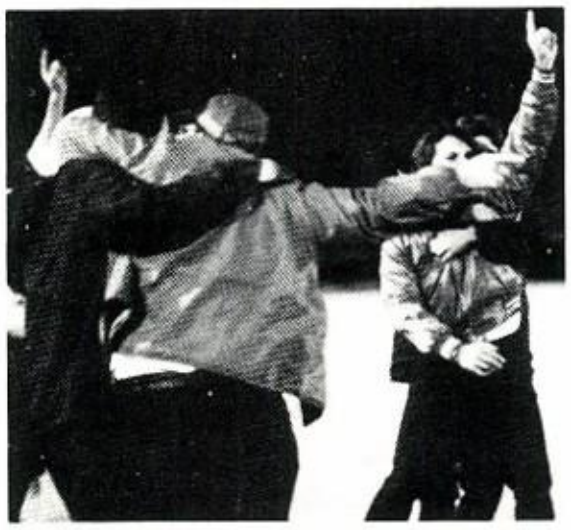
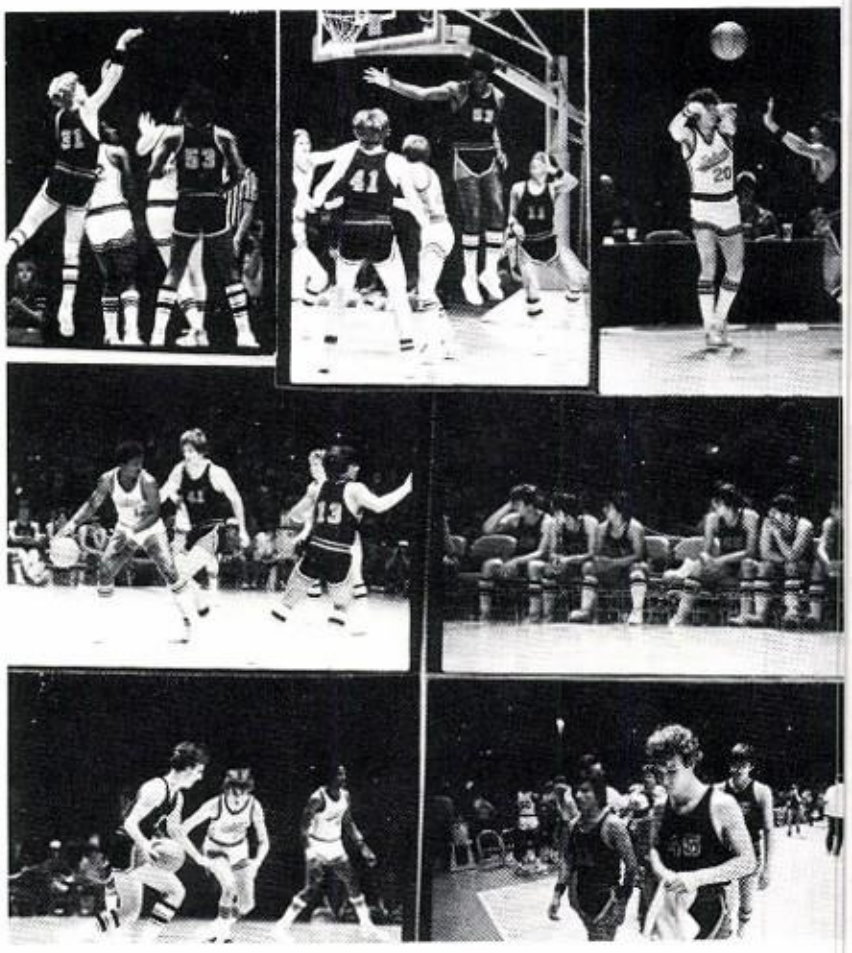
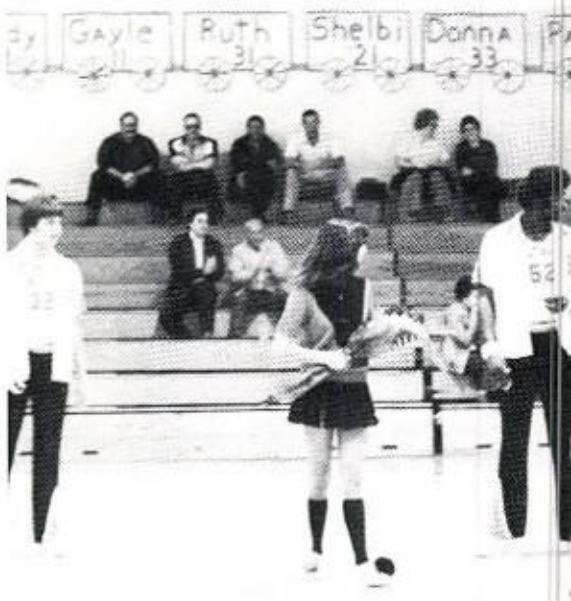
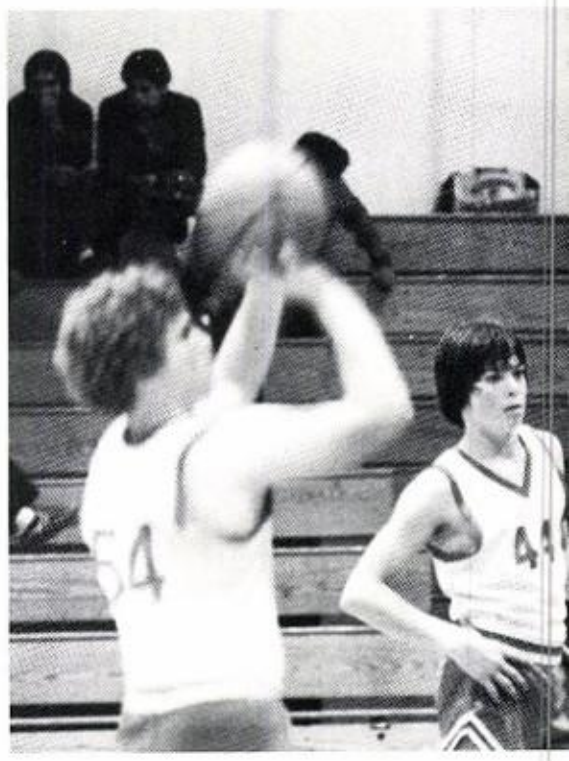
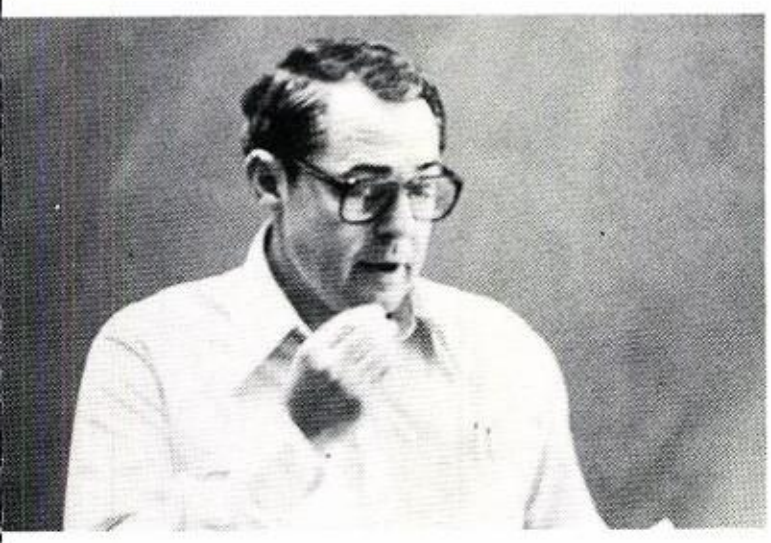
Time will tell . . .
Euripedes

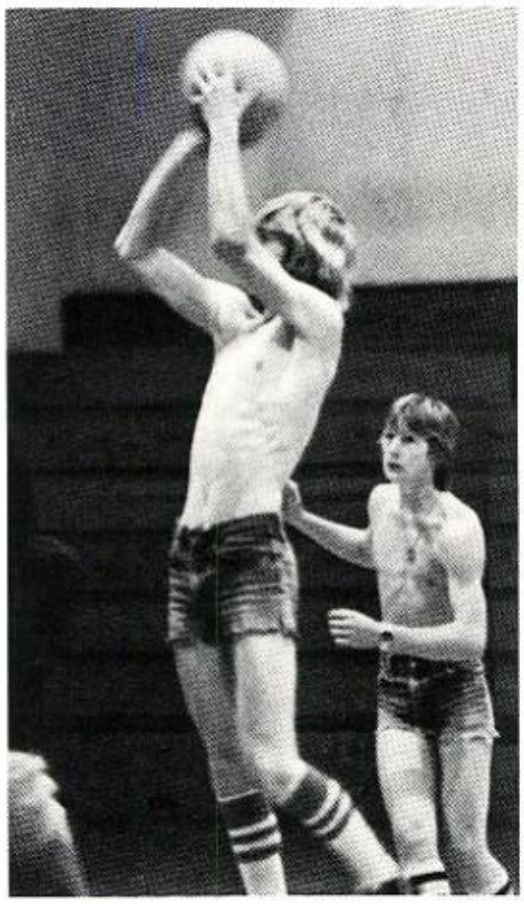


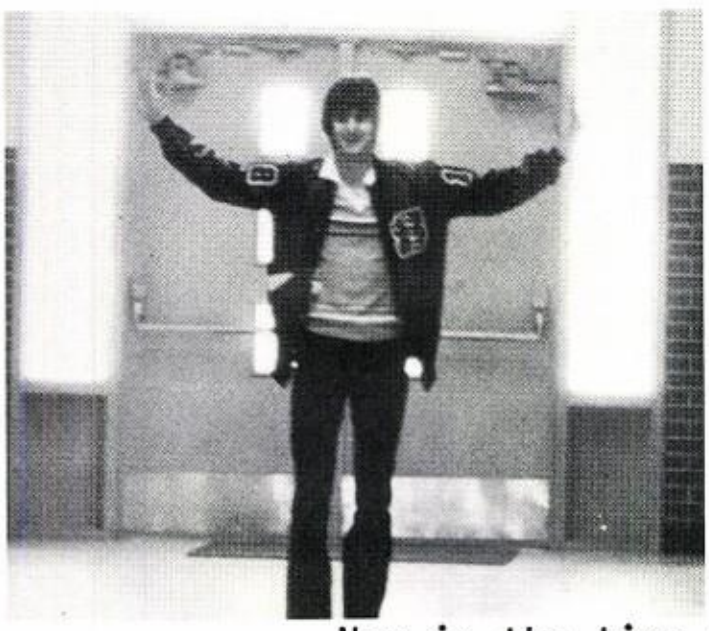












Now is the time foral
Now is the time for all good men to come toth
Now is the time for all good em
Now is the time for all good men to come to the aid of the county.
Now is the time for all good men to come to the aid of the country.

Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of *Time.*

The teachers, lunchroom workers, and custodians of this school are among the best to be found. Some of these people, such as *Mrs. Ruth Kulm, Mrs. Mary Truelock, Mrs. Vera Meeks,* and *Mr. Kenneth Grissom,* have been working in this school for over 20 years. Others have been associated with this school for at least ten years. The faculty even includes people who graduated from this school. Among them are *Mrs. Susan Cowart, Mrs. Mary Warren,* and *Mr. Douglas Boone.*

All of the people on the faculty have influenced the lives of their students and we appreciate them very much.

REGIONAL FINALIST

DISTRICT CHAMPIONS
4-AA

BI-DISTRICT CHAMPIONS
3-AA and 4-AA

CHUCK DARDEN **MONTE SIDES** **KEITH KITCHENS**

DUANE PARKER **COACHES** **JAMES TARTER**

This year was definitely the Year of the Mustangs. The Shallowater Mustangs made history by winning their first-ever District Championship, Bi-District Championship, and advancing to the Regional Finals in football. The hard work and determination of the players and coaches can be attributed to the success of this year's team.

The season did not start off with a bang, however, as the Mustangs dropped their first game of the year 19-0 to Idalou, tied their second game 7-7 with Hart, and lost a close 14-12 decision to Springlake-Earth. But then a big change came over the Mustangs as District competition began. The Mustangs played with greater intensity and more emotion and week after week they got better. They opened District with a 10-8 victory over a stunned New Deal team and from then on it was a matter of sheer determination. Ralls fell 31-6, followed by successive wins over Spur, 28-0, and Petersburg, 21-20. Then came a showdown with Lorenzo for the District leadership and the Mustangs won 17-14. The Mustangs closed out the regular season with a 6-6 tie with Hale Center and a 31-20 romp over Crosbyton.

Then it was on to Bi-District where the Mustangs avenged an earlier season loss with a 9-6 win over Springlake-Earth. The Mustangs fantastic season ended the following Friday in the Regional Finals as Panhandle advanced on penetrations following an 18-18 tie. The Mustangs season record ended with 7 wins, 3 losses, and 2 ties.

This team will be remembered for years to come, for this is truly a team that made history.

The new band director, Mr. Dennis, helped the Mustang Band start off with a bang when we were awarded 2nd place at the annual Fair Parade. We had hopes of making sweepstakes but they ended as soon as they began when we were given a Division II at the marching contest. Still, the band didn't give up and we went on to earn a Division II in concert and a Dviision I in sightreading. We also took the trip to Six Flags.

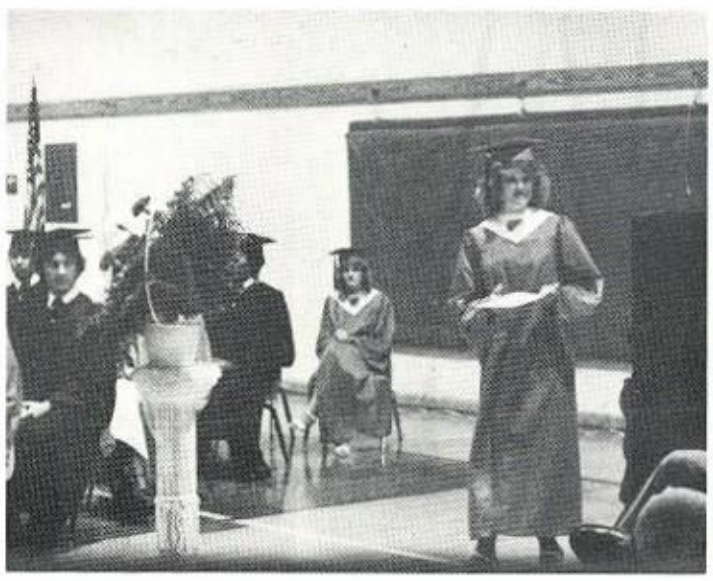
TODAY'S DREAM . . . TOMORROW'S REALITY



That it were possible to
undo things done;
to call back yesterday!
That Time could turn up his
swift sandy glass,
to untell the days
and to redeem these hours!
